EXPERIENCE

Graphic Design Intern | The Chapel, Akron Campus

Akron, OH | June 2025–Present

- Support campus communications by designing engaging visual assets for weekly services and special events, enhancing community engagement.
- Conceptualize and execute a diverse range of marketing materials, including flyers, brochures, signage, and social media graphics, ensuring brand consistency across all platforms.
- Collaborate with ministry leaders to translate complex event information and messaging into clear, visually compelling designs.

Graphic Design Intern | University of Akron Career Services

Akron, OH | April 2024–December 2025

- Created on-brand promotional pieces for both digital and print distribution, including flyers, brochures, and social media assets, to support student programming.
- Performed regular updates to existing publications and event flyers, ensuring all information was current and aligned with university brand standards.

Design x Nine | Myers School of Art

Akron, OH | September 2024–May 2025

- Selected to participate in an invitation-only in-house student design studio, collaborating closely with art directors to deliver high-quality design solutions for university and external clients.
- Executed design installations, promotional materials, and brand identities, presenting concepts to clients and refining designs based on feedback.

Volunteer Social Media Designer | Grace Church Barberton Campus

Barberton, OH | August 2023–December 2023

- Designed custom graphics for social media advertisements, event promotions, and weekly church announcements, helping to increase digital engagement.
- Assisted in maintaining and strengthening the church's social media presence by contributing cohesive, on-brand visual content.

Graphic Design Intern | Grace Church Barberton Campus

Barberton, OH | June 2023–August 2023

- Collaborated directly with the Creative Arts Director to conceptualize and produce graphics for worship services, events, and communications.
- Provided creative input on facility design decisions, helping shape the visual atmosphere of the campus through signage and environmental graphics.
